Fire Safe Councils & Community Wildfire Protection Plans

Napa County Community Wildfire Protection Plan

Planning for a fire-safe Napa County

Search for documents and data here...

Napa County CWPP Projects (2020 and 2022)

A dashboard summarizing projects identified in the CWPP in both 2020 and 2022 by project type and proponent.

The NAPA FIREWISE logo is at the top left, featuring a stylized house icon. Below it is the title 'NAPA COUNTY COMMUNITY WILDFIRE PROTECTION PLAN'. At the top right is the slogan 'Cap and Trade Dollars at Work' with a green checkmark icon. Below the title is the subtitle 'NAPA Co CWPP on Hub'.

NAPA COUNTY
COMMUNITY WILDFIRE
PROTECTION PLAN

NAPA Co CWPP on Hub

The Napa County Community Wildfire Protection Plan (CWPP) for distribution on the NCCWPP Hub Site (2021-04-07).

The NAPA FIREWISE logo is at the top center, featuring a stylized house icon. Below it is the title 'Priority Projects'.

NAPA FIREWISE

Priority Projects

A story map showcasing the county-wide priority project identified in the 2020/2021 Napa County Community Wildfire Protection Plan (CWPP).

A photo showing a group of people in hard hats and safety vests standing in a field, possibly a fire hazard reduction site. Below the photo is the title 'Action Plan 4-28-2021'.

Action Plan 4-28-2021

This Excel sheet contains the projects and actionable items identified in the Napa County CWPP (2020/2021). This list will be updated periodically by the Napa Communities Firewise...

Napa County CWPP Projects

Formerly the 'Stakeholder Input Map', this is now the Napa County CWPP Projects map containing many of the map layers used in the CWPP risk assessment as well as the...

Community Base Map

A series of maps constituting the Napa County 2020 CWPP Base Map.

Wildfire Hazard in Napa County

Wildfire hazard derived from predicted fire behavior, potential ignition sources, wildfire suppression response, and owner intervention measures for Napa County.

Fire Safe Council Fire Hazard Reduction Projects

A story map showcasing and cataloguing the fire safety and fuel reduction projects in Napa County by fire safe council. Compiled for the Napa Communities Firewise Foundation...

Forest Stewardship Workshop Series

- **Lake County:** June 30th – Aug 25th
- **Amador-Calaveras Counties:** Aug 24th – Oct 19th
- **Butte-Yuba Counties:** Oct – Dec
- **Napa County:** early 2023
