Alliance™**

Circular Action Alliance (CAA) is a U.S. Producer Responsibility Organization (PRO) dedicated to implementing effective Extended Producer Responsibility (EPR) laws for paper and packaging.

Thank you to all who attended Circular Action Alliance's (CAA) Quarterly Update on March 18, 2025. A [recording of the webinar](#) is now available on our website and a copy of the presentation we covered is available to [download here](#). We appreciate your continued engagement with CAA as we work to implement EPR for paper and packaging in the U.S.

Oregon Producer Reporting Deadline is March 31

Producers must finalize their registration with CAA in order to submit producer reports by the March 31 Oregon reporting deadline. For more information about the steps to register with CAA, check out our producer onboarding sessions:

- [101 Onboarding](#) - overview of EPR, CAA and resources to help you determine if you should register with CAA.

- [102 Registration & Agreements](#) - how to register and sign necessary legal agreements with CAA.
- [103 Budgeting for EPR Fees](#) - how EPR fees are set and information to support internal budgeting.

CAA has also released [guidance to help producers](#) determine if the material associated with their products is covered by packaging EPR laws in Oregon and Colorado, and if their company is the obligated producer for those materials. Additional guidance for producers is available in our [Producer Resource Center](#).
